Kiwa International Cert GmbH
certifies that the company

Infinex Holding GmbH

Heinrich-Schickhardt-Str. 1
72221 Haiterbach
Germany

for the scope

Development, manufacturing and sales of innovative dimpled membranes and plastic sheets for various applications in civil and structural engineering as well as for reusable packaging and for various applications in other industrial sectors;

Production of plastic granules and plastic compounds, recycling of plastic waste;

Reworking internal and external secondary feedstock

has implemented and applies a Quality Management System, which is in compliance with the requirements of

ISO 9001:2015

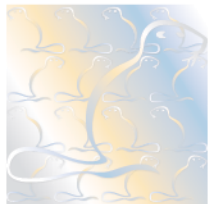

This is a multi-site certification. Additional site details are listed on subsequent pages.

Scope

Development and manufacturing of innovative dimpled membranes and plastic sheets for various applications in civil and structural engineering as well as for reusable packaging, container covers for reusable containers and for various applications in other industrial sectors

Reworking internal and external secondary feedstock

Sales of innovative dimpled membranes and plastic sheets for various applications in civil and structural engineering as well as for reusable packaging and for various applications in other industrial sectors

Production of plastic compounds, plastic recyclates and regranulates.
Recycling and trading of surplus production and recyclable materials from the plastics industry

Sales of large-area dimpled membranes for various industrial sectors and applications in the horticultural sector, as uncoupling systems or drainage sheets for civil and structural engineering

CERTIFICATE
